

Instructions for the Safety of Crews at the Finish

When returning to the landing stages keep a good look-out for racing crews and keep well in to the bank. Any returning crew impeding a racing crew will be disqualified.

Crews Returning to St John's, Leeds & St Peter's Please Note:

In order to avoid clashing with racing crews and those just past the finish line crews must observe the following safety procedure:

- * Line up in single file between Ouse and Lendal Bridge
- * Do not proceed beyond the Marshal just above Lendal Bridge (Minster side) until you are given permission and keep close to the bank.
- * Crews returning to Leeds & St Peter's proceed to the next marshal situated below Scarborough railway bridge and wait to receive instructions to move round the bend
- * Crews returning to St Peters must keep a good lookout and keep close to the bank.

Note - Any crew impeding a racing crew will be disqualified and no time given
